To: The Commission

PETITION FOR RULE MAKING

I, James P. Gray, hereby request the Commission institute a rule making proceeding to make the following amendment to FM Table of Allotments, Section 73.202(b), of the Commission's Rules:

<u>LOCATION</u>	<u>PRESENT</u>	<u>PROPOSED</u>
Booneville, Kentucky	none	287A

Channel 287A at Booneville, Kentucky will provide first local FM service to this community. Channel 287A can be allotted to Booneville, in compliance with the Commission's minimum distance separation requirements of Section 73.207 with no site restriction. A channel spacing study for Channel 287A at a reference site (37 31' 04" 83 33' 46") is included as Exhibit A. The proposal meets the requirements of Section 73.315 since the reference coordinates are located at Booneville and the 70 dBu service contour will completely encompasses the city limits.

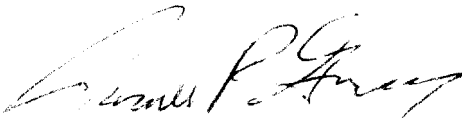

Booneville meets the Commissions requirements for a community in that it is an incorporated city, is listed with the U.S. Census, has banks, a post office and

various retail outlets.

I intend to apply for Channel 287A at Booneville, if allotted and if authorized, will build the facility promptly.

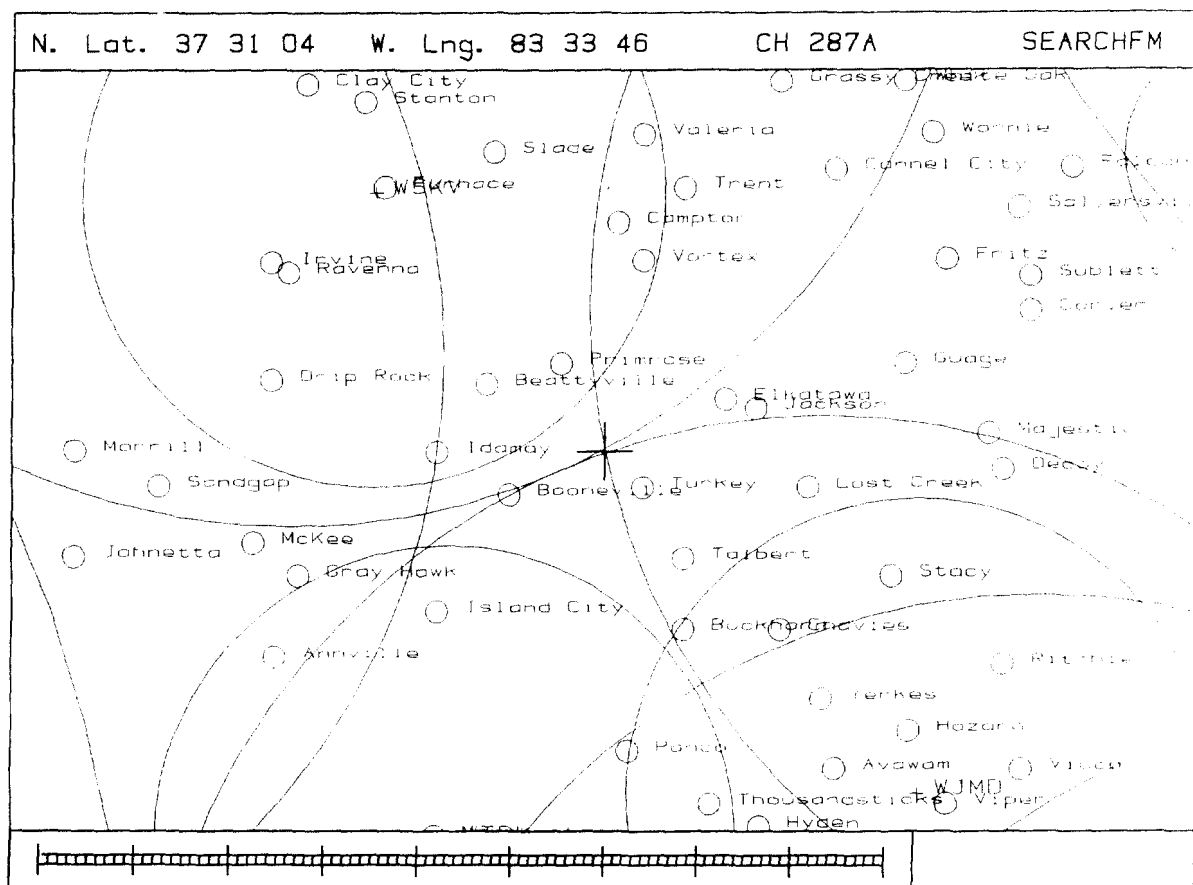

I hereby certify, under penalty of perjury that the foregoing is true and correct.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "James P. Gray".
